

Founder's Note

Dear Candidate,

At Pi Dot, we strive to empower, elevate, and accelerate individuals, businesses, communities, and ecosystems.

I firmly believe that our opportunities, lifestyles, and experiences are shaped by the amount of "luck" we have. At Pi Dot, we aim to be that catalyst of "luck" in people's lives, transforming their journeys into meaningful and experiential adventures.

"Luck" has been a defining factor in my own life, shaping who I am today. It is my vision to extend this opportunity to 314 million Indians, revolutionizing how our nation consumes knowledge, develops talent, and builds thriving communities.

Never think twice about bringing luck into someone's life or trying to quantify its worth because, at Pi Dot, we never will.

We are excited to have you on this journey with us, and I am confident that together, we will achieve extraordinary things.

Infinitely,

M. Vamshi Krishna

Founder & CEO, Pi Dot

About **PI DOT**

Pi Dot is a dynamic company dedicated to empowering individuals and businesses through innovative education, skill development, and cutting-edge solutions. With its tagline "*Empower. Elevate. Excelerate.*", Pi Dot strives to revolutionize knowledge consumption and talent training, creating impactful opportunities for students, corporates, and institutions.

Products and Offerings

Genesis

Genesis bridges academia and industry by offering corporate-led training and skill development. Programs like Talent Bridge and Leadership Conclave equip students with practical skills, while corporates gain access to ready-to-work talent.

Edusphere

Edusphere redefines education for grades 5–10 by integrating academics, life skills, and empathy-driven learning. It offers programs like Leadership Conclave, Interest-Based Learning, and family workshops for a holistic ecosystem.

Axiom

Axiom specializes in branding and marketing, offering services like social media management, SEO, content creation, and customer engagement. It delivers end-to-end solutions to help businesses achieve growth and visibility.

Job Description: Director of Edusphere

Role / Title: Director of Edusphere

Scope of Work:

Lead Edusphere's educational initiatives, focusing on holistic learning for grades 5–10. Oversee program development, ensure quality, and build partnerships to advance Edusphere's mission.

About Edusphere by PI DOT:

Edusphere, a division of Pi Dot, is dedicated to revolutionizing education by integrating academics, life skills, and empathy-driven learning for middle school students.

Responsibilities:

- Develop and implement innovative educational programs.
- Collaborate with educators to create holistic curricula.
- Establish partnerships with schools and educational bodies.
- Monitor and evaluate program effectiveness.
- Lead and mentor the Edusphere team.
- Manage budgets and allocate resources efficiently.

Qualifications & Skills:

- Master's degree in Education or related field.
- Experience educational leadership.
- Expertise in curriculum development and holistic education.
- Strong leadership and communication skills.
- Experience with educational technology integration.

Job Description: Director of Genesis

Role / Title: Director of Genesis

Scope of Work:

Lead Genesis, Pi Dot's skill development platform, by driving program strategy, fostering partnerships, and ensuring impactful training delivery for students and corporates.

About Genesis by PI DOT:

Genesis bridges the gap between academia and industry, offering corporate-led training, skill development, and job placement. The platform empowers students, enhances employability, and strengthens corporate-college connections.

Responsibilities:

- Develop and execute Genesis's strategic vision.
- Build and manage partnerships with corporates and colleges.
- Oversee training program delivery and ensure quality.
- Lead and mentor the Genesis team for growth and innovation.
- Monitor outcomes and drive program improvements.

Qualifications & Skills:

- Master's degree in Business, Education, or related field.
- Leadership experience in education or training.
- Expertise in employability-focused training and partnerships.
- Strong leadership, communication, and organizational skills.

Job Description: Director of Axiom

Role / Title: Director of Axiom

Scope of Work:

Lead Axiom's strategy, oversee marketing campaigns, and manage client relationships to deliver impactful branding and marketing solutions.

About Axiom by PI DOT:

Axiom specializes in creating dynamic brand identities and marketing strategies. The department focuses on end-to-end marketing services, including social media, SEO, content creation, and customer engagement, helping businesses thrive in competitive markets.

Responsibilities:

- Develop and execute Axiom's strategic marketing direction.
- Oversee campaign planning, execution, and performance analysis.
- Build and maintain strong client relationships to understand their needs.
- Lead the Axiom team to deliver innovative and tailored marketing solutions.
- Monitor industry trends and integrate them into services.

Qualifications & Skills:

- Master's degree in Marketing or related field.
- Experience in marketing leadership roles.
- Expertise in digital marketing and branding.
- Strong leadership and communication skills.

Job Description: VP of Edusphere

Role / Title: Vice President of Edusphere

Scope of Work:

Lead Edusphere's strategic growth by ensuring program excellence, fostering partnerships, and driving impactful educational outcomes.

About Edusphere by PI DOT:

Axiom is Pi Dot's branding and marketing vertical, specializing in innovative solutions such as social media management, SEO, content creation, and customer engagement to empower businesses and elevate their brand identities.

Responsibilities:

- Lead strategic planning and execution of Edusphere's programs.
- Ensure program quality and alignment with educational standards.
- Build and manage partnerships with schools and educational bodies.
- Oversee team performance and drive innovation in program delivery.

Qualifications & Skills:

- Master's degree in Education or related field.
- Leadership experience in education or program management.
- Strong expertise in curriculum development and holistic education.
- Proven leadership, strategic thinking, and communication skills.
